

ONTARIAN HOLLINGSWORTHS
(Parish Registers)

After over three years, success has been achieved by your editor in his quest for information about our surname, from the old Parish Registers of the Anglican Church in Ontario. Two previous letters having not been answered, a third, this year, was answered by the following source: The Incorporated Synod of the Diocese of Ontario, whose address after January 1, 1967 will be 90 Johnson St., Kingston, Ont., Canada, "The Synod Office." A fee has been set at Minum: \$5.00; fee per hour: \$2.50, with an initial deposit for each case, of \$10.00. This is very reasonable. The work is expert, done by Mrs. Aileen Gage the Registrar, in her spare time from Church duties, and is typed. All the oldest Anglican Registers, Baptisms, Marriages & Burials, are stored in the vault at this office within her easy reach, and expert examination. The editor received a report and we hasten to publish.
