

Who was Reverend Charles Hollingsworth?

A Golden Wedding announcement in a Kingston, Ontario, Canada paper no date showing, but probably in late October 1968, was sent to your editor by Miss Evelyn Purvis Earle of Gananoque, Ontario (author of Leeds the Lovely and Linger in Leeds). It states that Mr. and Mrs. Stuart Bell of Gananoque had recently celebrated their 50th anniversary and that they had, incidentally, been married by the 'late Reverend Charles Hollingsworth.' Do any of you know who he was? They had made their home in Springfield, Ontario and were members of the Springfield United Church. If any reader has biographical material about this minister, write the editor. Thank you.
